

GROUP

Everyone's yes/no list is read aloud, one item at a time. No reactions allowed except a nod of thanks.

AFTERCARE

Go around once more: everyone names one thing they're glad someone else shared.

GROUP

Compliment circle: start sweet, and every round gets bolder. Anyone can say 'pass' or 'hold here' at any time.

AFTERCARE

Group hug, then everyone tells the person on their left one thing they'll remember.

GROUP

The group chooses one person to be the center of attention for five minutes. They say what's on the table; everyone else delivers.

AFTERCARE

Whoever was the center picks who holds them afterward.

GROUP

Before anything starts, everyone says out loud: watching, playing, or undecided. Undecided is a perfectly good answer.

AFTERCARE

Everyone shares one thing they loved seeing or doing tonight.

GROUP

One person directs a scene for the others: where to sit, who kisses whom, how slow. Actors check in at every cue.

AFTERCARE

The director thanks each actor by name and asks what they'd change next time.

**Pass a blindfold around.
Whoever wears it is kissed by
someone after a silent
thumbs-up. They guess who.**

AFTERCARE

*Lift the blindfold and let them hug whoever
they guessed wrong.*

NEGOTIATE

Each of you writes three columns: yes, no, maybe. Swap lists. Ask about the one maybe that made you lean in.

AFTERCARE

Thank them for one answer that took courage, and mean it.

10 MIN

+6

NEGOTIATE

Name one hard limit and one curious maybe. The limit needs no explanation. The maybe gets all the questions.

AFTERCARE

Hold hands and repeat their hard limit back so they know you heard it.

2 MIN

NEGOTIATE

Choose a safeword together.
Bonus if it makes you both
laugh. Then practice saying
it once, completely seriously.

AFTERCARE

*Seal the safeword with a slow kiss and a
promise to always honor it.*

NEGOTIATE

Describe a fantasy in vivid detail. Your partner listens without touching you. Not even a little.

AFTERCARE

Let them close the gap: one long hug, no words needed.

3 MIN

NEGOTIATE

What would make you feel completely safe trying something new? Answer in detail while your partner takes notes.

AFTERCARE

Read their notes back to them and ask if you got it right.

5 MIN

NEGOTIATE

Rate these 1 to 5 out loud:
being told what to do,
being blindfolded, being
praised, being teased.
Compare scores.

AFTERCARE

*Tell them which of their answers you'll be
thinking about tomorrow.*

3 MIN

🔥 *after dark*

NEGOTIATE

Agree on traffic lights: green means more, yellow means slow down, red means stop. Then whisper 'green' and see what happens.

AFTERCARE

Check in after: what color are you now, and what do you need?

5 MIN

 *after dark*

+6

NEGOTIATE

Confess one thing you've wanted to try but were too shy to ask for. Your partner may only reply 'tell me more.'

AFTERCARE

Kiss their forehead and tell them nothing they said could make you think less of them.

3 MIN

🔥 *after dark*

+6

NEGOTIATE

Negotiate a scene like a contract: who leads, how long, what's on the table, what's off. Sign it with a kiss.

AFTERCARE

Review the 'contract' afterward and agree on one clause to change next time.

10 MIN

 *after dark*

+6

NEGOTIATE

Answer by pointing: where do you love being touched, where is off-limits tonight, and where are you curious?

AFTERCARE

Wrap them in a blanket and tell them one answer that surprised you.

2 MIN

🔥 *after dark*

+6

POWER

Praise only: for five minutes, tell your partner exactly what they're doing right. Be specific. Watch them glow.

AFTERCARE

Ask which compliment landed hardest, then say it once more, slowly.

5 MIN

🔥 *after dark*

+6

POWER

Whisper an order across the room. Something small: come here, sit closer, take one thing off. They may say yes or no.

AFTERCARE

When they do it, thank them like it's the best gift you've had all week.

2 MIN

🔥 *after dark*

+6

POWER

Make your partner earn permission to kiss you. Set the task: a compliment, a confession, a back rub. Then grant it generously.

AFTERCARE

Tell them what made you say yes, and give them one kiss for free.

5 MIN

🔥 *after dark*

+6

POWER

For 10 minutes, your partner gives every instruction. You may only answer 'yes' or the safeword.

AFTERCARE

Trade places for a slow hug and ask how it felt to hand over the wheel.

10 MIN

 *after dark*

+8

POWER

Service hour: one of you is cared for completely. Drinks brought, shoulders rubbed, clothes removed on request. They lift nothing.

AFTERCARE

Whoever served gets ten minutes of being held, no questions asked.

TONIGHT

🔥 *after dark*

+8

POWER

No hands. Tease your partner using only your lips, your voice, and the brush of your hair against their skin.

AFTERCARE

Then use your hands for something gentle: stroke their hair until they melt.

5 MIN

 *after dark*

+8

POWER

Halfway through, switch who's in charge. Whoever led first now follows whatever the new boss decides.

AFTERCARE

Tell each other which half you liked better, and why.

20 MIN

 after dark

+8

POWER

Your partner sits, stands, or kneels exactly where you point. Keep them waiting for the next instruction. Make the pause delicious.

AFTERCARE

Bring them a glass of water and sit at eye level to check in.

10 MIN

 after dark

+8

POWER

Set one rule for tonight, like 'ask before you touch' or 'call me by a title.' Each slip earns a playful consequence you agreed on first.

AFTERCARE

Forgive every slip with a kiss and tell them they did beautifully.

TONIGHT

🔥 *after dark*

+8

Secretly signal: do you want a full power exchange tonight? One leads, one follows, safeword always honored. Only if everyone says yes.

AFTERCARE

Lie close for ten minutes after and trade one thing you loved about how the other led or followed.

POWER

Tell your partner to undress slowly while you stay fully clothed and watch. Narrate what you like. No touching until you say so.

AFTERCARE

Wrap them in your shirt or a soft blanket and tell them how gorgeous they looked.

5 MIN

 *after dark*

+10

POWER

Your partner may not finish, or even ask to, until you grant permission. You decide how long. They decide if it's too long.

AFTERCARE

Hold them close and tell them how proud you are of their patience.

20 MIN

 *after dark*

+10

POWER

Lead your partner to the bedroom by the hand. At every step, tell them in a low voice exactly what's about to happen.

AFTERCARE

Once it's over, tell them what you'll remember most and let them choose the cuddle position.

10 MIN

 *after dark*

+10

POWER

Write three orders on scraps of paper, each bolder than the last. Your partner draws one at a time and may veto any with the safeword.

AFTERCARE

Read the unused orders aloud together and decide which to save for next time.

20 MIN

 *after dark*

+10

SENSATION

Blindfold your partner. Kiss them somewhere unexpected every 30 seconds. They guess where you'll land next.

AFTERCARE

Remove the blindfold slowly so the first thing they see is your smile.

3 MIN

🔥 *after dark*

+6

SENSATION

Trace slow letters on their back with a feather. They have to guess the secret word you're spelling.

AFTERCARE

Whisper the real word and tell them why you picked it.

3 MIN

🔥 *after dark*

+6

SENSATION

Warm drink in one hand, ice cube in the other. Alternate kisses: hot, cold, hot. They pick which wins.

AFTERCARE

Share the rest of the warm drink under one blanket.

5 MIN

 *after dark*

+6

SENSATION

Tie their wrists loosely with a soft scarf. Quick-release knot, scissors in reach, and check they can slip free. Then take your time.

AFTERCARE

Untie them gently, rub their wrists, and ask what felt best.

15 MIN

 after dark

+8

SENSATION

Touch everywhere except where they want it most, until they ask nicely. You get to define 'nicely.'

AFTERCARE

Give them exactly what they asked for, then hold them until they're calm again.

10 MIN

 after dark

+8

SENSATION

Scratch their back slowly, light to firm. They call out 'more' or 'less.' Keep it gentle enough that nothing lingers.

AFTERCARE

Smooth lotion along every path you scratched.

5 MIN

🔥 *after dark*

+8

SENSATION

**Negotiate a spanking first:
where, how firm, how many.
Count them out loud
together. Stop the instant the
safeword lands.**

AFTERCARE

*Rub the spot soothingly and tell them how
much you trust them.*

5 MIN

 *after dark*

+8

SENSATION

Blindfold on. Run five textures over their skin: silk, fur, something cool and metal, a soft brush, your lips. They rank them.

AFTERCARE

Let them do the same to you, then compare your top picks.

5 MIN

 *after dark*

+8

SENSATION

Drag an ice cube slowly down their spine. Chase every drop with a warm kiss.

AFTERCARE

Dry them off with a warm towel and keep them wrapped in it.

3 MIN

🔥 *after dark*

+8

Secretly signal: soft ties tonight? Quick-release knots, scissors nearby, safeword ready. It only happens if everyone says yes.

AFTERCARE

Release them slowly, massage where the ties were, and tell them what their trust felt like.

SENSATION

Blindfold and soft ties together, quick release in reach. They can't see or reach you. Tell them everything you're about to do, then do it.

AFTERCARE

Unwrap them like a gift, then hold them until they're ready to talk.

20 MIN

 *after dark*

+10

SENSATION

Bring them right to the edge, then stop. Three times. On the fourth, they decide what happens.

AFTERCARE

Bring them water, brush their hair back, and tell them they were incredible.

20 MIN

 after dark

+10

SENSATION

Pin their wrists gently above their head with one hand. Explore with the other. Let go the instant they ask.

AFTERCARE

Kiss each wrist, then lace your fingers through theirs.

10 MIN

 *after dark*

+10

SENSATION

Sensory overload: blindfold, slow music, ice in one of your hands, a feather in the other. Ask 'color?' every few minutes.

AFTERCARE

Take it all away one sense at a time, then finish with a long, quiet hug.

15 MIN

ROLEPLAY

Strangers at a bar: each of you invents a name, a job, and one secret. Meet across the room and try to pick each other up.

AFTERCARE

Drop character with a real kiss and tell them your favorite line of theirs.

20 MIN

+6

ROLEPLAY

One of you writes a very specific job title; the other writes three 'qualifications.' Hold the interview. Hire only if truly convinced.

AFTERCARE

Give them a glowing performance review: three things they did that you loved.

15 MIN

+6

ROLEPLAY

The masseuse: agree on the menu beforehand. One books the deluxe treatment; the other decides, within the menu, what's included.

AFTERCARE

Swap roles for a five-minute shoulder rub with no agenda at all.

20 MIN

+8

ROLEPLAY

Consensual boss and new hire, both adults, both very into it. Write the office rules together first, then hold a 'performance review.'

AFTERCARE

Clock out together: comfy clothes, a snack, and a debrief.

20 MIN

+8

ROLEPLAY

Consensual royal and bodyguard. Decide together beforehand: who's sworn to protect whom, and which forbidden line gets crossed tonight?

AFTERCARE

Out of character, tell them one moment that felt truly romantic.

20 MIN

 after dark

+8

ROLEPLAY

Write a scene on three index cards: beginning, middle, end. Swap cards and act out your partner's version.

AFTERCARE

Keep the cards, and tell them which line made you blush most.

20 MIN

 *after dark*

+8

ROLEPLAY

Photographer and model.
Each writes one pose the other may request. Run a shoot with no camera, only direction and praise.

AFTERCARE

Tell them one 'shot' you'll be replaying in your head all week.

15 MIN

 after dark

+8

Each of you writes a secret scene on a card. Swap and read silently. Signal yes or no. You play it only if everyone says yes.

AFTERCARE

Whatever the answer, thank them for trusting you with that card.

ROLEPLAY

Rival spies, one consensual interrogation. Agree first on the secret, the limits, and the safeword. Extract the secret using only your mouth.

AFTERCARE

Confess your own secret was always 'I adore you,' then hold them close.

20 MIN

 *after dark*

+10

ROLEPLAY
