

RITUAL

Read aloud to them while they're in the bath. Their pick of book, your best voice for every character.

1 HOUR

 *slow burn*

+2

RITUAL

Brush their hair for ten slow minutes. No talking unless they start it.

10 MIN

 *slow burn*

+2

RITUAL

Paint each other's nails.
You each pick the other's
color, and nobody gets
a veto.

30 MIN

 *slow burn*

+2

RITUAL

Fall asleep on a video call together. Whoever wakes first hangs up quietly and texts goodnight.

TONIGHT

 *slow burn*

+2

Feed each other breakfast
in bed. Hands only, no
forks, crumbs are part of
the deal.

RITUAL

Fall asleep holding hands.
Whoever lets go first
makes the coffee.

TONIGHT

 *slow burn*

+4

RITUAL

**Wash their hair at the sink
like a fancy salon: warm
water, slow scalp massage,
towel turban to finish.**

20 MIN

 *slow burn*

+4

RITUAL

Teach each other a skill
you're secretly proud of: a
card trick, a recipe, a song.
Twenty minutes each.

AN EVENING

 *slow burn*

+4

RITUAL

Give them a hand massage while they tell you about their day, start to finish, no interruptions.

15 MIN

 *slow burn*

+4

RITUAL

Make a playlist where every song is tied to one specific night together. Play it start to finish, lights low.

AN EVENING

 *slow burn*

+4

RITUAL

Everyone drops their phone
in a bowl by the door for the
whole evening. First to reach
for theirs does the dishes.

AN EVENING

 *slow burn*

3+ PLAYERS

T4

Run their morning for
them: coffee made,
clothes laid out, towel
warmed, sent off with
a kiss.

RITUAL

Bathe them and wash their hair. No phones in the room, no rushing, and they don't lift a finger.

1 HOUR

 *slow burn*

+6

RITUAL

**Give them a full-body
massage with no
expectation of anything
after. And mean it.**

1 HOUR

 *slow burn*

+6

RITUAL

Lie face to face and find every scar, freckle, and mark on their skin. Ask for the story behind each one.

30 MIN

 *slow burn*

+6

RITUAL

Spend a whole morning in bed: no alarms, no screens, just talking, dozing, and whatever else wanders in.

A MORNING

 *slow burn*

+6

RITUAL

Start a Sunday-night ritual in bed: one thing you loved about them this week, one thing you need, one thing you want to try.

THIS WEEK

slow burn

+6

RITUAL

Do their skincare for them, slowly and carefully, like it's the most important job you'll have all week.

30 MIN

 *slow burn*

+6

RITUAL

Rub lotion into every inch of them after their shower. Every inch they offer, anyway.

20 MIN

 *slow burn*

+8

RITUAL

Sleep naked tonight, skin to skin, with nothing expected. Just notice everything.

TONIGHT

 *slow burn*

+8

RITUAL

Every night this week, end the day with a wordless kiss that lasts a full minute. On the last night, don't stop at a minute.

THIS WEEK

 *slow burn*

+8

RITUAL

Start a standing weekly night that belongs only to sex: same candle, same playlist, calendar blocked. Tonight is the first one.

TONIGHT

 *slow burn*

+10

DATE

Sunrise picnic. Pack it the night before and bring a blanket big enough for everyone to hide under.

A MORNING

 *slow burn*

+2

DATE

Museum date: each of you finds the piece that reminds you of the other. Big reveal over coffee after.

AN AFTERNOON

 *slow burn*

+2

DATE

Thrift-store challenge: draw names, then \$20 each to dress your person head to toe. Runway walk at the end.

AN AFTERNOON

 *slow burn*

3+ PLAYERS

TL

DATE

Farmers market date: \$15 each to build the best picnic you can. Then judge each other's haul.

A MORNING

 *slow burn*

+2

DATE

Stargazing night: drive somewhere dark, lie back on a blanket, and name a constellation after each other.

AN EVENING

 *slow burn*

+2

DATE

Potluck where everyone brings the dish their family made when someone was sick. Tell the story before you serve.

AN EVENING

 *slow burn*

3+ PLAYERS

TL

DATE

Bookstore date: buy each other a book with a hidden note inside. No peeking until you're home.

AN AFTERNOON

 *slow burn*

+4

DATE

**Cook a dish from the country
you most want to visit
together. Set the table like
you've already landed.**

AN EVENING

 *slow burn*

+4

DATE

Slow dance in the kitchen
to a song from the year
you met. Burnt dinner is
acceptable.

5 MIN

 *slow burn*

+4

DATE

Plan a date for them using only clues. Send one riddle an hour until they work out where to show up.

ONE DAY

 *slow burn*

+4

DATE

Go back to the spot of your first date or first kiss. Order the same thing. Compare memories; whoever's wrong pays.

AN EVENING

 *slow burn*

+4

DATE

Game night: everyone teaches the group a game from their childhood. Winner picks the snacks for the next one.

AN EVENING

 *slow burn*

3+ PLAYERS

T4

DATE

∞ MATCH

Each of you secretly writes your pick: sunrise hike, fancy dinner, or a full day in pajamas. If you match, book it this week.

THIS WEEK

 *slow burn*

+4

DATE

Rainy-day date: build a blanket fort and double-feature a movie from the year each of you was born.

AN AFTERNOON

 *slow burn*

+4

DATE

Weekend away with no itinerary. Pick a direction, drive two hours, and say yes to whatever you find.

A WEEKEND

slow burn

+6

DATE

∞ MATCH

Secretly write your pick: a hotel night in your own city, a cabin with no signal, or one of you plans everything blind. Match? Book it.

THIS WEEK

slow burn

+6

DATE

Dinner where you can only ask each other questions you've never asked before. Repeat one and you're paying.

AN EVENING

 *slow burn*

+6

DATE

Go dancing somewhere
loud, then walk home
somewhere quiet. Hold
hands the whole way.

AN EVENING

 *slow burn*

+6

DATE

Get dressed up for a date at home: separate rooms, a knock at the door, proper first-date nerves.

AN EVENING

 *slow burn*

+6

DATE

Give them a tour of you: the places that shaped you before you met. End at the one that matters most.

ONE DAY

 *slow burn*

+6

DATE

Recreate the night you first slept together, or the one you wish had happened. Same playlist, better lighting.

AN EVENING

 *slow burn*

+8

DATE

Late-night drive, no destination. Park somewhere with a view and climb into the back seat like you've got a curfew.

AN EVENING

 *slow burn*

+8

DATE

∞ MATCH

Each secretly circle one: a night of slow massages, a night trying something new, or a night one of you is in charge. Match? It's on this week.

THIS WEEK

slow burn

+8

DATE

Plan a whole-weekend date where every single stop is foreplay for the last one: the bedroom.

A WEEKEND

 *slow burn*

+10

SENSUAL

Blindfold them and feed them five tastes, one at a time. Every wrong guess earns a kiss.

15 MIN

 *slow burn*

+6

SENSUAL

An evening where
nobody is allowed
to rush: every kiss,
touch, and sentence at
half speed.

AN EVENING

 *slow burn*

+6

SENSUAL

Kiss only their hands, wrists, and forearms for five slow minutes. Nowhere else, no matter how nicely they ask.

5 MIN

 *slow burn*

+6

SENSUAL

**Share a candlelit bath.
One rule: nobody
mentions work, chores,
or tomorrow.**

1 HOUR

 *slow burn*

+6

SENSUAL

Candlelit massage with warm oil. They choose where you start; you choose how long you stay.

1 HOUR

 *slow burn*

+8

SENSUAL

Undress each other as slowly as possible: one minute per item, timer on, no skipping ahead.

15 MIN

 *slow burn*

+8

SENSUAL

**Shower together where
only one of you is
allowed to do the
washing. Switch
tomorrow.**

20 MIN

 *slow burn*

+8

SENSUAL

**Trace an ice cube
wherever they point.
Then follow the trail with
your mouth.**

10 MIN

 *slow burn*

+8

SENSUAL

Map every spot that makes them shiver using only your fingertips. Report your findings out loud.

20 MIN

 *slow burn*

+8

SENSUAL

Loosely tie their wrists with a silk scarf and take your time everywhere. Untie the second they ask.

30 MIN

 *slow burn*

+10

SENSUAL

Spend an entire evening on foreplay. Set a one-hour timer before anyone's allowed to go further.

AN EVENING

slow burn

+10

SENSUAL

Have sex by candlelight with your eyes open the whole time. Say their name whenever you want to look away.

TONIGHT

 *slow burn*

+10

SENSUAL

Blindfold yourself and let them guide your hands wherever they want to be touched, as slowly as they like.

30 MIN

 *slow burn*

+10

SENSUAL

**Ask tonight, then
tomorrow wake them up
slowly, kissing your way
down one inch at a time.**

A MORNING
